

Full Board Meeting Minutes
Tuesday, November 15, 2022

Lamb has talked about deregulation and reducing costs. This policy goes way beyond what was required in SB 7044. We talked about many things today that make it difficult for the faculty to succeed, i.e. the cost of living and salaries. This makes it difficult to keep FAU as a top ranked university and the university system. She asked if any of the trustees members of the BOG to look at what was crafted by the university to the regulation. She asked the trustees to urge the BOG to take those into consideration before passing regulation 10.003. This is a concern not only at FAU but throughout the State University System.
